Hi Beth and Josh:

The attached MS Project and PDF files both contain the same updated schedule for Riverside based on our conversation last week. I moved the tasks for the newspaper ad and Proposed Plan presentation slide deck back a bit into July (tasks 46 through 49) – please let me know if that is OK. I deleted the task for venue selection since an online meeting is confirmed.

I had some computer excitement over the weekend – all of my MS Office programs were somehow uninstalled. Luckily IT folks were able to remotely access my laptop on Sunday and reinstall everything! Please contact me with any questions and we can review tomorrow.

Did Task 34 (EPA Tech Team Review) wrap up last Friday as planned and are you ready to prepare a revised Proposed Plan for The EPA Site Team Review (task 36) beginning on Tuesday?

Best regards, Len
